Austin Healey 3000

Made by the British Motor Corp., makers of Austin, Austin-Healey, Sprite, MG, Morris and Riley cars.

© 1955 British Motor Corporation

This is the new powerful

Austin Healey 3000

Rapidly accelerates to over **120 MPH** 60 mph from

a standing start in **9.8** seconds. New enlarged

3000 c.c. **6 CYLINDER** overhead valve engine

develops **130 BHP** at 4750 rpm. Four-speed

transmission with optional **OVERDRIVE** Racing

type front wheel disc brakes. Two and **FOUR** seat

models...optional hardtop. Built by the world's **LARGEST**

maker of sports cars, the British Motor Corp. **PARTS**

and service at over 1000 dealers in North America.

If you're sensitive to **PERFECTION** then you, too,

will want to test drive the new, more powerful

Austin Healey 3000.
